

**Stephen M. Wagstaffe: Statement on the Half Moon Bay Mass Shooting**

Just days removed from the tragedy in Monterey Park, San Mateo County District Attorney Stephen M. Wagstaffe and all the members of the District Attorney's Office regrettably now mourn the 7 lives lost to a mass shooting right here in Half Moon Bay. This an unprecedented tragedy in San Mateo County. We continue to call on our Federal and California legislators to enact laws to help bring this senseless wave of violence to an end. Here at the San Mateo County District Attorney's Office, we will continue to aggressively prosecute those who violate the gun laws of California and hold them accountable.
