**Subject:** Remaining Planning Comments on Lot 11

3/5/20 CML - Please address the following Planning Comments remaining on the review of Lot 11:

1. Please revise and re-submit remaining pages of the civil plan set reflecting the larger right side setback. Only pages C11.5 and C11.6 were revised with the larger right side setback.
2. Please address SWCA comments on Tree Plan. Gave Jack a print out, also emailed in September 2019.
3. Please submit updated bio surveys for Lot 11. Please do this last to avoid survey expiration prior to issuance of permit. Please allow for SWCA review.

---

Camille,

I incorrectly suggested that we see each other today. I had a luncheon meeting that was over about 10 minutes ago. Would you be available around 9:00 tomorrow morning.

Cordially,

Jack
